

DECLARATION of SIMILARITY

EB-VS70 Variant Identity Declaration

Model Name: EB-VS70

Trade Names: VS70, VS705P, 705P

The VS70 is the base model with variants VS705P and 705P.

All 3 models are identical for Radio, EMC and Safety performance. The only difference is the marketing name and software customisations as required by the customer/operator.

Model number	Trade name	H/W	S/W
